## Instructions

Just follow the structured video lessons.

Make sure you practice well before the next lessons.

For any difficulties & queries, you can ask the mentor in the subsequent live sessions.

Submit your assignment for review when asked by the mentor.

Where to order your Bansuri?

Before that, find out if you are a right-handed or a left-handed player:

Take a stick and hold it horizontally, like a flute with one end resting on the chin. You are a right-handed bansuri player when your flute is horizontally more to the right side. And you are a left-handed bansuri player when your flute is horizontally more on the left side.
